Hi Anthony,

Thank you for this message. It's wonderful to see the work you're doing! Unfortunately, Gina is unable to visit UCF anytime soon. She is focused on the Many Rivers to Cross Festival that will be occurring this October and is unable to visit anytime.

We appreciate and support the work you're doing and hope to visit soon!

Best,

Evangeline

Dear Sankofa,

We would really want Ms. Gina Belafonte to come and visit us if it's still possible.

Between June-July 2016, Gina was supposed to visit our project, the UCF, in Uganda. But when we sent a draft agenda of the trip, we didn't hear from you at all. We are trying our best to relieve suffering in our area, but we have no voice.

If there is anything that wasn't quite right with the draft agenda, it was just tentative; we ask her to give us a chance, and a voice!

I have attached 16 photos from the work we are currently doing with the poorest smallholder farmers to help them escape a cycle of poverty—through fresh organic ginger— here in eastern Uganda. Please see the 16 photos attached.

I have also attached an updated of our Action Plan [PDF].

We would be very grateful to hear from you!
