Dear Kathryn Frazier,

Please share this message with Lauryn Hill.

Dear Ms. Lauryn Hill,

We would like to become friends with a retired artist like you.

Would you be able to visit us in eastern Uganda, e.g. as part of a vacation? Or, could you start staying here with us, only on an intermittent basis?

If possible, we would like to ask you to make our project, the UCF, your second home, or your adopted home in Uganda, where you can come and stay with us whenever you are free.

Uganda is Africa's most pristine tourist destination, with a rich diversity of beautiful wildlife and natural beauty.

Our team can even provide you with free travel to tour any part of Uganda. We also have free food and accommodation at the UCF.

In turn, we only need you to bring us more friends from America, to help us end extreme poverty here in eastern Uganda.

Please learn about the UCF:

We would be humbled to become a friend of yours!

Best regards,
